

Mobilize Grassroots Advocates

We have what it takes to achieve your public affairs goals.

To accomplish your goals, you must effectively identify, persuade, and mobilize constituents to pressure their elected officials. However, reaching the right people is time-consuming, overwhelming, and increasingly uncertain.

Don't waste time worrying about mobilizing your grassroots army. At CHQ, we're the experts in leveraging phones to help you WIN.

Patch Through Calls

Connect supportive constituents directly to lawmakers' offices so they can voice their opinion...and communicate your message.

Peer-to-Peer Texting

Mobilize constituents to weigh in on legislation by sending a text message with a video or a link to engage targeted elected officials.

Telephone Townhalls

Communicate your message to an audience of thousands, over the phone and online.

And Much More

Telephone petition drives, landing pages, digital advocacy, automated calls, and more!
